

## CALIFORNIA CONSUMER PRIVACY ACT RULEMAKING WORKSHOPS

On June 28, 2018, Governor Brown signed Assembly Bill 375, now known as the California Consumer Privacy Act of 2018 (CCPA). The CCPA grants consumers new rights with respect to the collection and use of their personal information.

The CCPA, which will go into effect on January 1, 2020, authorizes the Attorney General to promulgate regulations that will establish procedures to facilitate consumers' rights. The Department of Justice (DOJ) will be conducting six statewide forums in advance of the formal rulemaking process for stakeholders to provide feedback early in the rulemaking process.
