## Biologics Blog

Biologics Blog is a source of insights, information and analysis related to biologics, including the legal developments, trends and changing regulation that impact the biotechnology industry. Patterson Belknap represents biotechnology, pharmaceutical and healthcare companies in a broad range of patent litigation matters, including patent infringement cases, PTO trial proceedings, patent licensing and other contractual disputes. Our team includes highly experienced trial attorneys with extensive technical knowledge, many of whom have advanced scientific degrees and industry experience in fields such as molecular biology, biochemistry, chemistry, statistics and nuclear engineering.

### WTO to Discuss Member Proposal to Waive IP Rights for COVID-19 Technologies

January 6, 2021

On October 2, 2020, India and South Africa urged the World Trade Organization (WTO) Trade-Related Aspects of Intellectual Property Rights (TRIPS) Council to temporarily waive the obligation of member states under the TRIPS Agreement to protect intellectual property rights for technologies...
