NY Commercial Division Blog

Patterson Belknap's Commercial Division Blog covers developments related to practice and case law in the Commercial Division of the New York State Supreme Court. The Commercial Division was formed in 1993 to enhance the quality of judicial adjudication and to improve efficiency in the case management of commercial disputes that are litigated in New York State courts. Since then, the Division has become a leading venue for judicial resolution of high-stakes and every-day commercial disputes. This Blog reviews key developments in the Commercial Division, including important decisions handed down by the Commercial Division, appellate court decisions reviewing Commercial Division decisions, and changes and proposed changes to Commercial Division

rules and practices. Our aim is to provide you with thoughtful and succinct analysis of these issues. The Blog is written by experienced commercial litigators who have substantial practices in the Commercial Division.
